Aged to Perfection

Exuberance introduces their Ultimate Perfection: Evening Primrose Intensive Eye Beauty Cream which helps to minimize the appearance of wrinkles and puffiness. Ultimate Perfection contains grapeseed oil, evening primrose oil and black willowbark extract amongst other aged-for-you ingredients.

Grapeseed oil is a preferred cosmetic ingredient for damaged and stressed tissues, possessing regenerative and restructuring qualities which allow a better control of skin moisturizing. It is noted to be especially effective for repair of the skin around the eyes. Evening primrose oil (EPO) contains an omega-6 essential fatty acid which is one of the healthy fats. Evening primrose oil also helps with dryness around the eyes. Finally, black willowbark extract is an antioxidant that helps to ease muscle pain and inflammation and has cell renewal capabilities.
