A Handy Solution

Frais Hand Sanitizer

You're a sucker for a **wet wipe** and you carry your **anti-bac** everywhere you go, some might say you're a bit of a clean freak. Or perhaps just clean!

With the **Swine Flu** epidemic sweeping the nation, perhaps it would be safe to take precautionary measures. We've found a very handy solution, **Frais Hand Sanitizer** is the perfect size for your handbag at **50ml** and kills **99.9% of germs**.

The environmentally friendly formula contains **66% pure sugarcane** and is formulated with **Les Huit™**, a delicious **cocktail** of eight natural essential oils that includes ginger, **tangerine**, **lemon myrtle**, niaouli, orange, basil, **grapefruit** and **cardamom**. It leaves hands moisturized, and **sweet smelling**. It's the **new must have** handbag accessory!
