### Black Friday Kicks Off Our 'Holiday Gift Guide'

I really love this time of year. Not only do people get gussied up but so do products! So here we are with a big task ahead of us for the next month, to pick the best products to make up our Gift Guide. Makeup? Body? Hair? Nails? We'll pick some from each category and then some. Just look for the picture of the bow in the corner! And we'll also be rolling out another [Cleaning out the Closet](#) contest shortly too.

With so many parties and get-togethers, do yourself and everyone a favor and carry **FRAIS Hand Sanitizer** in your evening bag. It comes to us from Australia and is made from 66% sugarcane alcohol that kills 99.9% of germs and contains eight essential oils like ginger, tangerine and cardamom. Hand sanitizing just got chic! \$3.50/5 use pocket size or \$33/14-5 use squeezies @ amazon.com.
