

Introducing Frai

Published by editor on July 2, 2008 in bath & body.

Tags: green beauty, packaging.

Frais is an Australian luxury brand that has created a unique product: a SPA-worthy hand sanitizer which is a blend of sugarcane to kill 99.9% of germs, and 8 Australian essential oils to give you a beneficial, aromatherapeutic experience. The all-natural mix of Ginger, Tangerine, Lemon Myrtle, Niaouli, Orange, Basil, Grapefruit and Cardamom provide you

with a sensory experience that lifts your spirit and soothes you while protecting you from 99.9% of the germs encountered in everyday life, as well as Bird Flu and MRSA Staph infections.

Furthermore, Frai products are free from parabens, sulfates, propylene glycol, petrochemical cleansers, ethoxylates, silicones, phthalates, mineral oils, DEA, artificial colors, and artificial fragrance. They only use natural aromatherapeutic botanical ingredients, without animal ingredients or animal testing.
